The Substitute Subcontractor is subject to all the obligations of a subcontractor under this Policy.

A contractor's classification as "qualified" shall exempt the contractor or subcontractor from the comprehensive submission requirements contained herein for a period of twelve (12) months. Thereafter, contractors or subcontractors who are pre-qualified must submit a complete application for continuation of "pre-qualified" standing, on a form provided by the School, (also referred to as the "short form") by December 31st for the upcoming calendar year. Failure by any pre-qualified contractor or subcontractor to timely submit its complete application for continuation of "pre-qualified" standing shall result in automatic removal of the designation, effective January 1 of the upcoming year. However, the "removed" contractor or subcontractor shall still be permitted to bid on School projects.

Any material changes to the contractor's status, at any time, must be reported in writing within ten (10) days of its occurrence to the School.
